"Service-Support Update Forms" were sent out to all members in February, with a chance to be entered into a draw for a Keurig Coffee Maker.

**Congratulations to "STC Electrical Instrumentation Inc!"  
Your new Keurig Coffee Maker will be delivered to you soon!**

### Tips for making large claims:

- Have the Dentist or health care provider give you an estimate of the total cost of the service or appliance.
- Submit the estimate with all applicable documentation to the insurance company for processing.
- Wait to receive the approved amount before making large purchases.
- Submit your actual claim. Because you have gotten a prior estimate, claims will be processed much more quickly.
