

CANWEST INTERNAL ADMINISTRATION CHANGES

Happy New Year!

With the ringing in of the New Year, we are bringing in some changes.

Canwest Group Benefits Inc. is founded on great customer service. In order to continue serving you locally, but faster and more efficiently, we are changing some of the ways we take care of our internal administration. This means a big change for us, but a small change for you. For most of you, nothing will change! But for some, you will have a new name and phone number to call with questions and a local face to serve you better!

All administration has been localized, so please contact the district office closest to you:

For any services that exceed \$250.00, we recommend that you send in a predetermination to the Insurance Company. That way there are no surprises when it comes time to pay for the services received. You should always read through your booklet before receiving expensive services, medical equipment or dental work. *Be aware of any exclusions or restrictions that are on your plan.*

Be sure you know what your plan covers BEFORE you incur claims!
