

January 2010, Issue 1

New Website Launch!

Every day we are striving to make Group Benefits easier for you! That is why we have developed a new website. We are very excited to launch this website for public use, but especially for the use of all of our Plan Administrators. We believe that this website will become an important tool for all of our Group Benefits clients. Not only have we streamlined the look of our website, we have also made it much more comprehensive and user friendly.

We have a 'Frequently Asked Questions' page, as well as a 'Glossary' of frequently used insurance terms that may be unfamiliar to you and your staff. We hope you enjoy exploring our new website!

We're on the Web!
www.canwestgroup.com

Tips for quick claims reimbursement:

- Read over your completed form several times to make sure all applicable areas are filled out.
- Make sure to sign when needed.
- Double check the address you are sending the claim to. Make sure it is correct.
- Attach all original receipts. Be sure to keep a copy for your records!

Keeping our Plan Administrators informed is one of our major goals here at Canwest Group Benefits. We strive to deliver the best service possible in every aspect of our business, and that is why we have developed a quarterly newsletter for all of our Plan Administrators to help us keep you informed!

In future editions you can expect to find useful information about changes to Group Benefits, answers to frequently asked questions, deadline reminders, rules and guidelines to follow, as well as helpful hints for claims and applications. We hope you will find our quarterly bulletin very helpful.
